

# Green Building Workshop

**August 12th, 9AM - 4 PM**

**Program Fee: \$85**

*(includes refreshments and lunch)*

Pre-register by August 9th by phone or email:

**Ph:** 765- 855- 3188 **Email:** [s.hays@copeenvironmental.org](mailto:s.hays@copeenvironmental.org)

## **The workshop will feature information about:**

Structurally Insulated Panels (SIPs)

Insulated Concrete Forms (ICFs)

Strawbale Building

Passive Solar Rooms

Using recycled & reused materials in the building process

Green Building improves energy efficiency throughout the home, lessens waste to the landfill, and saves resources. Be the first to learn how you can “Build Green” on your block!
