

# Summer Adventure Programs

at Cope Environmental Center

Cope Environmental Center is pleased to present 2008's line-up of exciting Summer Adventure Programs! Call soon to reserve your child's spot—programs fill quickly!

Programs are intended for children entering the grades listed above the program description. Registration begins **March 1st**. Space is limited, but registration is open until the classes are full. Call CEC at 765-855-3188 to request a registration form (temporarily reserves your child's spot in the class). Reservation forms must be returned with program fee within two weeks of receiving the form to reserve your child's spot in the program.

The program fee for each five day program of three hours is \$55 for members and \$65 for non-members. Conservation Camp fees are \$110 for members and \$130 for non-members. Lunch Bunch for first, second, and third grade programs is an additional \$12.00 for the whole week.

## Pre-School & Kindergarten

### Wild About Nature

Monday—Friday June 9-13 9am—12pm  
Or 1pm—4pm

For all of those knee-high nature nuts, we will explore the woods, the prairies, the wetlands, and the grasslands in search of adventure! We will play games, read stories, and go exploring to find all the *wild* things in nature!

## First, Second & Third Grades

### Critter Camp

Monday—Friday July 7-11 9am—12pm  
Monday—Friday July 21-25 9am—12pm

Are you wild about wildlife? Do you love to investigate how creatures live in the woods, water, prairie and grasslands? Then this is the camp for you! Your week will include creating habitats for a variety of critters, learning what they need to survive, and becoming a wild critter yourself! We will discover the furry creatures and the not-so-furry un-huggables. Be prepared for a critter-filled adventure!

### Bug Bonanza

Monday—Friday July 7-11 1pm—4pm  
Monday—Friday July 21-25 1pm—4pm

Did you know that there are many more kinds of insects on earth than any other kind of living creature? It's hard to imagine, but 95% of all the animal species on the earth are insects! Come spend a week getting up close and personal with a variety of bugs. We will morph into a bug, construct a sweep net, and make our *OWN* buzzing bug! By the end of the week, we will all be true "insectigators"!

## Fourth, Fifth & Sixth Grades

### Conservation Camp

Monday—Friday June 23-27 9pm—3pm

This year will be focused on adventure. Each day will offer campers a new Adventure Challenge. We will take an all day excursion at a nearby woods, we will solve a woodland mystery, and even learn to navigate with and without maps. The optional Thursday night campout will of course finish the week with a bang! Please provide a sack lunch and beverage for Monday—Thursday. Dinner and breakfast (Thursday & Friday) will be a collaborative effort between campers and CEC.

## Middle & High School Students

### Junior Ranger Volunteer Corps

Are you interested in getting involved with your community? Volunteering at CEC can provide you with a wide variety of experiences. We will have three Junior Ranger Work Days this summer to work on trails and other projects. Call 765-855-3188 to request a registration form.

### Volunteer Days:

June 18th 9am-3pm  
July 16th 9am-3pm  
August 13th 9am-3pm

Please call by the Friday before each work day to sign up.

### Junior Ranger Training:

Wednesday, June 4th, 1pm-3pm  
Call to register by Monday, June 2nd.
