AFTERNOON FUN IN THE SUN!

June 4-8 June 11-15 June 25-29
July 9-13 July 23-27 July 30-August 3

During these weeks, we will have afternoon programs that are less structured and include more free exploration. Every day will include free play, a story, snack time, hikes and then a "choose your own adventure"! One day each week we will feature a special presentation on exciting topics including hands-on activities. 1pm-5pm Pre-K-6th grades (campers grouped by their age when possible)

INSPECT THAT INSECT

June 4-8

"Head, thorax, abdomen, abdomen..." Come and join us as we learn about insects! We will make a bug board, set out insect traps and search high and low for these 6-legged creatures! 9am-1pm Pre-K/K & 1st-3rd grades

JR. NATURALIST CERTIFICATION

June 11-15

Become a Junior Naturalist and learn about plants, birds, reptiles, amphibians and mammals. Sign-up for this exciting program to get your OFFICIAL CEC Jr. Naturalist Certification. 9am-1pm Pre-K/K & 1st-3rd grades

CONSERVATION CAMP

June 18-22

Want to be a part of CEC's most popular summer camp? Tie-dying with natural dyes, participating in our famous "Fear Factor" race, and cooking with a solar cooker are just a few of the fun things we have planned for this week! Don't forget about the overnight on Thursday! 9am-3pm w/overnight Thursday and Friday pick-up at 11am 4th-6th grades

NOCTURNAL IN NATURE

June 25-29

Want to learn more about our nocturnal critters? Join us as we find out what a tapetum lucidum is, what echolocation is used for, and other fascinating adaptations our amazing nocturnal creatures hold. 9am-1pm Pre-K/K & 1st-3rd grades

BACKYARD BIOMES

July 9-13

Did you know that you have lots of nature wandering in your very OWN backyard? Whether you have a pond, a creek, grass, soil...there are creatures everywhere! We will learn about backyard birds, underground creatures, reptiles & amphibians and more! 9am-1pm Pre-K/K & 1st-3rd grades

WILDERNESS SURVIVAL

July 16-20

Do you have what it takes to survive? Spend all week learning shelter building, edible plant identification, and other basic survival skills, then test them out with an overnight camp-out in CEC's woods on Thursday! 9am-3pm w/overnight Thursday and Friday pick-up at 11am 7th-8th grades

BIOMIMICRY GIMMICKRY

July 23-27

Bio-what?! Find out what biomimicry is and how it helps humans with every day challenges! Each camper will design their own project by using nature as the model. 9am-1pm Pre-K/K & 1st-3rd grades

THE NATURE OF ART

July 30-August 3

In this camp, we will be using nature in our art. Sculptures and mandalas made from natural items and solar prints are just a few of the exciting art projects we will be working on this week! 9am-1pm Pre-K/K grades & 1st-3rd

TODDLER TIME 2018

Join us the 3rd Wednesday of every month as we explore the outdoors of CEC through a story, hands-on activities, crafts, and a hike. Children must be accompanied by an adult. Be sure to dress for the weather! Toddler Time happens rain or shine! Time: 10-11am

Place: CEC
Fee: \$3 per toddler
Registration: Required by the Monday before the program.
