

Invasive Plant Removal Position Application

Hours: Up to 20 per week (seasonal)

Compensation: \$9.00 per hour; no benefits

Summary: The person in this position will work with five agencies (in Wayne County) to remove invasive plant species from their properties. The employee will need to work with each individual organization to determine the best approach to their invasive problem. Each organization will supply the employee with the proper tools, safety equipment, and chemicals to get the job done efficiently. The use of chemicals is determined by the organization as well (with the health of the environment in mind). The employee needs to split his/her time evenly between all five organizations.

It is Cope Environmental Center's policy to perform criminal background checks on workers on a case-by-case basis. By telling us about criminal history, workers save us the cost of performing background checks and help establish a relationship of trust with CEC. Answering yes to the question below will not render you ineligible to work at the Cope Center, nor does it mean that we will not conduct a criminal background check. All information you provide in this application will be handled in complete confidentiality. CEC has a strict policy to not discriminate against anyone because of their background, race, religion, nationality, gender or sexual orientation, but will exercise sound judgement to provide a safe environment for its staff, volunteers, visitors and program participants.

Have you ever been convicted of a criminal offense? (circle) Yes No
